

How The Popes Of Rome Fulfill Bible Prophecy

The Popes Are The Little Horn Of Daniel 7. Daniel 7:8 points to the *little horn*, the Pope, who rose to power over the *ten horns*, the ten kingdoms of the fallen Roman Empire. Three would not bow to his authority so they were *plucked out*, eliminated. Daniel 7:25 points to them persecuting the saints, which took place during the Dark Ages and the Inquisition, killing 50 million. The Popes *changed the law*, removing the 2nd commandment.

The Popes Are The Son Of Perdition Of 2 Thessalonians 2. The Western Roman Emperors *restrained* the Popes from taking power, but when the last one was removed from power in 476 AD (the *deadly head wound*), the Popes took their place as Pontifex Maximus, leader of church and state (*healing the deadly head wound*).

The Popes sit in the temple, the body of believers, as they proclaim to lead Messiah's church. They have proclaimed to be God and to forgive sins, which is blasphemy, and it denies God. The Popes, *the man of sin*, have caused Catholics to break the ten commandments; by having other gods; by calling the Pope '*the Holy Father*;' by having graven images of Mary; by causing priests to be celibate which leads to homosexuality, rape, and pedophilia; by stealing money and property from people they murdered; by professing sins to a priest.

The Popes Are The Antichrist Beast Of Revelation. The *antichrist beast* is an office, not one man. It's fulfilled by the office of the papacy, the Popes of Rome. They rose to power out of the *sea* of people of the ten kingdoms of the fallen Roman Empire. They reigned in civil and ecclesiastic power for 1,260 years, from 538-1798 AD. Kings bowed to their authority. They banned and burned the Scriptures and persecuted the saints.

The Pope's title is Vicar of Christ, which in Latin is 'Vicarius Filii Dei,' equates numerically to 666. In the Greek, 666 is *Chi-Xi-Stigma*. Chi=Christ, Xi=nail, Stigma=cross. It points to the crucifix, which keeps Messiah on the cross. This image mocks Messiah as anyone on a cross is cursed. It is a false idol of the *antichrist beast*.

The Popes Lead The Harlot Church Of Revelation 17-18. They teach a false salvation by the sacraments, which misleads 1.3 billion Catholics, which is anti-Christ. Now they teach that all ways lead to God.

Purple and scarlet are the Bishops and Cardinals colors. The Pope and priests use the *golden cup* during their blasphemous Eucharist ceremony, which mimics the Babylonian Mystery Religion of Tammuz, the *christ child* being created. The wafer and the monstrance are sun-god symbols. They have an Egyptian obelisk phallic symbol in the middle of a sun wheel in St. *Peter's Square*, which designates the Basilica as a sun-god temple.

What the Popes teach is contrary to Scripture. They teach that Mary is sinless, salvation is through her, and she is the Intercessor to the Father. They teach that priests can forgive sins. www.RomanCatholicBeliefs.org

The Popes Are The 8th King Of Revelation 17. From John's perspective, five forms of Roman government had passed, the 6th was the Emperors, the 7th existed a short time from 476-538 AD, and the 8th king is the Popes. The Vatican has enriched the merchants of the earth. Look up *Wikipedia Basilicas* and you see the things that are described, to build the ornate temples (gold, silver, marble, wood, etc.) and for their sacraments (flour, oil, etc.)

The Black Pope and the White Pope are the enemies of Messiah and His saints. They are the *two horns*, the two leaders of the end-times *earth beast* phase of the Roman beast kingdom. The Jesuit Superior General is the *false prophet* who created the false, futuristic prophecy fulfillment explanations which deceive the saints.

They act like priests of Messiah (*lamb-like*), but they really serve Satan (the *dragon*). They control the world via their three city-state corporations of Vatican City (religious and political leaders), The City of London (trade and financial organizations), and the District of Columbia (intelligence agencies and military powers).
