

The Harlot Church Of The (Antichrist) Beast Popes In Bible Prophecy

After several centuries of Satan using the Roman Empire to brutally persecute Messiah's church, he realized that the more that he caused the Emperors to kill the saints, the faster Messiah's assembly grew.

So Satan created a new strategy to infiltrate Messiah's church to seek to destroy it from within. He caused Constantine to stop the persecutions and had him and the Roman bishops create Roman Christianity, which became the state religion. This false church has done more harm to the saints than the Roman Empire.

They changed the names of idols such as Isis to Mary, Jupiter to St. Peter, etc. They changed the scriptural Sabbath to SUN-day because they worship the Sun god. This is why there's a sun-god obelisk in the middle of a solar wheel in St. Peter's Square, which designates the basilica as a temple of the worship for the sun god. Inside the basilica, there's a gigantic sun symbol behind the *antichrist beast* Pope's grandiose throne.

The 'falling away' that the Apostle Paul warned about in 2 Thessalonians 2 happened in the 4th century. Many believers compromised their faith, and they joined with the Roman Church to take positions of power. The influence of the Roman *Council of Nicea* causes today's Protestant churches to follow unscriptural concepts. Easter and Christmas replaced the Father's seven Holy Feast Days, which Messiah is fulfilling to redeem the set-apart saints. Messiah said to come out of the influence of her teachings. www.ComeOutOfHer.org

This happened before the *antichrist beast* Popes, the *son of perdition*, were given civil and ecclesiastic power over the Roman beast kingdom in 538 AD. The popes proclaim to lead Messiah's church; thus, they *sit in the temple*, the body of Messiah's saints; but they teach a false gospel of works through the sacraments, and that Mary is the intercessor to the Father, which is anti-Christ. They have already proclaimed to be God and to forgive sins.

Revelation 11:1-2 points to when Martin Luther, then a Catholic Monk, was used to measure the temple. He was led to compare what the Popes teach against the Scriptures, and he found out that the Roman church is apostate and is the *harlot* church of the *antichrist beast* Popes. The Roman Church is delegated to the *outer court of the gentiles* and not part of the true temple, as it's the church of the *antichrist beast* Popes.

Revelation 13 describes Catholics who revere (mark on forehead) and obey (mark on the right hand, actions) the antichrist beast Pope. The *antichrist beast* Popes banned and burned the Scriptures in the Dark Ages. Satan used the *harlot* Church of Rome to persecute the saints even more relentlessly than the pagan Roman Empire. The end-times *earth beast* phase of the Roman beast kingdom is controlled by the Jesuit Superior General, the Black Pope, whose Jesuit priests spread the false gospel of Romanism so that Catholics *revere* the Pope.

Revelation 17 describes the harlot church; as her Cardinals and Bishops wear *purple and scarlet robes*, and they use the *golden cup* during their blasphemous eucharist ceremony, and her Catholics killed tens of millions of saints. This faux 'Christian' church is based on the *Babylonian Mystery Religion*, thus her name '*Mystery, Babylon the great.*' It uses symbolism to convey the worship of the pagan *christ-child* Tammuz.

The Roman priests hold up the sun-god eucharist wafer for all to revere and then place it on a crescent moon holder in the monstrance. This represents the sexual union of the sun god and moon goddess, which produces the incarnate Christ-child Tammuz. This blasphemous ceremony is carried out in churches all over the world.

Revelation 18 describes her judgment. The Vatican has enriched the merchants of the earth. In her thousands of ornate basilicas, you see the things that are described to build them (gold, silver, marble, fine wood, etc.), for priests (fine linen, pearls, silk, scarlet) and sacraments (cinnamon, fine flour, ointment, oil, incense, etc.)
