

In Revelation, John Is Describing The Leader Of The Roman Beast Kingdom

Daniel 2 and 7 describe four beast kingdoms: Babylon > Medo-Persia > Greece > Rome. Daniel tells us that the last beast kingdom (Rome) endures until Messiah returns to destroy it. In Revelation, John picks up the narrative of the Satan-empowered Roman beast kingdom, which wars against Messiah and His saints.

Revelation 12 describes the pagan Roman Emperors who were used to try to wipe out Messiah's early church after it was birthed, killing millions of saints in the 1st-3rd centuries. The worst persecution period was from 303-312 AD, the ten years of persecution of the Smyrna church era saints. In the 5th seal, their blood is *crying out* for vengeance against the Roman Emperors, and that came soon in the trumpet judgments.

The first four trumpet judgments represent army after army being sent to attack the Roman Empire. The Goths, Vandals, Huns, and Heruli attacked the empire. The 4th Trumpet judgment led to the Western Roman Emperor (*sun*) being removed from power, which was the '*deadly head wound*' as the office ceased to exist.

The Popes are the 8th king of Revelation 17. From John's perspective, five forms of Roman government had passed, the 6th was the Emperors, the 7th existed a short time from 476-538 AD, and the 8th king is the Popes. The Vatican has enriched the merchants of the earth. Look up *Wikipedia Basilicas* and you see the things that are described, to build the ornate temples (gold, silver, marble, wood, etc.) and for their sacraments (flour, oil, etc.)

Revelation 13:1-10 describes the 1,260-year reign of power of the Popes of Rome, from 538-1798 AD. The (*antichrist*) *beast* is a position, the office of the papacy, the Popes of Rome, not just one man. They rose to power out of the *sea* of people of the ten kingdoms of the fallen Roman Empire. They took the former title of the Emperors, *Pontifex Maximus*, the leader of church and state, *healing the deadly head wound*. Kings bowed to the Pope's authority. They banned and burned the Scriptures and caused tens of millions of saints to be killed.

The 5th bowl judgment led to the Pope being removed from power in 1798 AD. The Pope was '*wounded by the sword and lived*,' as he was removed from ecclesiastic and civil power over the Roman beast, but the office of the Pope continued. An *image* of the pope's former authority was created at the Lateran Treaty in 1929 AD.

Revelation 13:11-18 describes the Jesuit General rising to power out of the earth (land) of the Vatican.

The *false prophet* is also an office, the Jesuit Superior General, who has controlled the Vatican since 1798 AD. The two *horns* represent the two *leaders* of the Roman beast, the *false prophet* Jesuit Superior General, aka the Black Pope, and the (*antichrist*) *beast* White Pope of Rome. They're '*like a lamb*,' as they pretend to be priests of Messiah, but they serve Satan, the '*dragon*,' and they deceive the world with their sorceries. (Rev. 18:23)

The Black Pope exercises his authority in front of the White Pope, and they're using the Roman Catholic Church to draw the world under their power. The *false prophet* Jesuit Superior General created the *false* prophecy fulfillment explanations of futurism and preterism. His Jesuit priests teach a *false* salvation message, which now causes 1.3 billion Catholics to *revere* and *obey* the Pope, so that they have the *mark of the beast*.

The 7th bowl points to the Jesuit Superior General led Roman beast kingdom controlling the world via three city-state corporations: Vatican City (religious and political leaders), The City of London (trade and financial organizations), and the District of Columbia (intelligence agencies and military powers). He also controls Freemasonry, Illuminati, Rothschilds, Khazar Jews, Knights of Malta, Knights of Columbus, etc.

Revelation 19 describes the leaders of the end-times phase of the Roman beast kingdom, the (*antichrist*) *beast* Pope and *false prophet* Jesuit General, being captured by Messiah and thrown in the fiery pit. HalleluYah!
