

**Messiah's apocalyptic vision is a layered war manual, which is coded with symbols to hide the message.**

To understand it, you need to know what the symbols mean, most of which are defined in the Old Testament.

### **LAYER 1 – IN REVELATION 12-13, MESSIAH DESCRIBES THE LEADERS OF THE THREE PHASES OF THE ROMAN BEAST KINGDOM THAT HIS SAINTS HAVE TO FACE FROM WHEN JOHN WROTE REVELATION UNTIL HE RETURNS.**

Daniel describes four beast kingdoms; the fourth being the Roman Empire, which will endure until Messiah returns.

**33-476 AD:** Revelation 12 describes Satan using the Roman Emperors to try to wipe out the early Church, killing millions of saints during ten persecution periods, the last one from 303-312 AD was the most painful, like child birth. The *crowns* are on the *seven heads*, pointing to the seven forms of government of the Roman Empire. When the Empire fell in 476 AD, it split into ten civil kingdoms, the *ten horns* of Daniel 7:24 and the *ten kings* of Revelation 17:12.

**538-1798 AD:** The Revelation 13 *sea beast* describes the next phase of the Roman beast kingdom, when the Popes rose to power over the *sea* of people. The *crowns* are now on the *ten horns*, the ten kingdoms of the fallen Roman Empire, which gave their authority to the Popes (Revelation 17:13). The *antichrist* is not just one man, but the office of the papacy. The Popes fulfill prophecy as the *little horn* of Daniel 7 and *son of perdition* of 2 Thessalonians 2. They reigned for 1,260 years, during which they tried to wipe out the two witnesses against them, the Scriptures and saints.

**1798 AD – present:** The Revelation 13 *earth beast* describes the last phase of the Roman beast kingdom, when two leaders (*horns*), the *false prophet* Jesuit Superior General and *antichrist beast* Pope, control the world. They feign to serve Messiah (*like a lamb*), but they really serve Satan (*dragon*). The *false prophet* is not just one man, but the office of the Black Pope, who rose to power out of the *earth* (land) of the Vatican. The sixth vial of Revelation 16 mentions these two leaders of the end-times phase of the Roman beast kingdom, and Revelation 19:20 says that they will be captured.

### **LAYER 2 – IN REVELATION 2-3, MESSIAH IS SPEAKING TO SEVEN CHURCH ERAS WHICH SPAN FROM THE FIRST CENTURY UNTIL HE RETURNS. HE FORETOLD WHAT THE SAINTS WOULD FACE AND HOW TO BE AN OVERCOMER.**

The church eras of Ephesus, Smyrna and Pergamos faced persecution from the pagan Roman Emperors.

Ephesus (33-100) – The early Church grew quickly in the midst of the mighty Roman Empire, lost first love/zeal.

Smyrna (100-313) – Satan used the Emperors to kill millions of saints, whose *blood* in the 5<sup>th</sup> seal *cried out* for justice.

Pergamos (313-538) – Satan sought to destroy Messiah's church from within, causing Constantine to create Romanism.

The church eras of Thyatira and Sardis faced the *antichrist beast* Popes during their 1,260-year reign of power.

Thyatira (538-1514) – The saints *witnessed* against Popes who banned Scriptures and killed saints during the Dark Ages.

Sardis (1514-1798) – The saints were as *dead*, lacking life, but the Protestant Reformation brought them back to life.

The church eras of Philadelphia and Laodicea face the *false prophet* Jesuit Superior General as their primary enemy.

Philadelphia (1798-1900) – This was a glorious era when saints spread the Gospel and printed Bibles around the world.

Laodicea (1900-) – The saints think they're rich and know truth, but are blinded by the deceptions of the *false prophet*.

### **LAYER 3 – IN REVELATION 4-11, 14-16, MESSIAH FORETOLD MAJOR EVENTS AND JUDGMENT OF THE ENEMY.**

The seal judgments describe the decline of the pagan Roman Empire from civil war, excessive taxation, famine, pestilence and death. The trumpet judgments point to army after army being sent to attack the three parts of the Roman Empire; western, central and eastern; which led to its fall in 476 AD. The *little book* is the printed Bible of the 16<sup>th</sup> century. The *two witnesses* are the Scriptures and saints who testified against the *antichrist beast* Popes of Rome. The vial judgments are against the *antichrist beast* Pope and Catholics who *revere* and *obey* the Pope.

### **LAYER 4 – IN REVELATION 17-18, MESSIAH DESCRIBES THE HARLOT CHURCH OF THE POPES AND HER JUDGMENT.**

Revelation is from John's perspective per Revelation 1:19 '*Write the things which thou hast seen, and the things which are, and the things which shall be hereafter.*' Five forms of the Roman Empire government had passed when John wrote Revelation; the *sixth* was the office of the Western Roman Emperors of John's day, which ended in 476 AD. The seventh form existed a *short time* from 476-538 AD. Then the *eighth king*, the *antichrist beast* Pope, was given civil authority.

The *harlot* church of Rome carries out the symbolism of the *Babylonian Mystery Religion* of pagan god worship. Her priests wear *purple and scarlet* robes, use the *golden cup* during their blasphemous Eucharist ceremony, and have persecuted the saints. Her purchases have enriched the kings of the earth. Her judgment draws nigh! Rev 073021
