

Who Is The Antichrist?

The word 'anti' means 'in place of' and 'against.' The popes proclaim to take the place of Messiah, to be the *Vicar of Christ*, the *substitute Christ* on earth; but they teach heretical concepts that are contrary to Messiah.

The antichrist denies Messiah. The popes teach that Mary was sinless, that salvation is through her, and that she is the mediator to the Father. And now the Popes say that all religions lead to the same God.

The antichrist denies God. The popes have proclaimed to be God, forgive sins, and provide salvation, which is blasphemy. They have people call them *Holy Father*, which Messiah forbids. They've taken God's titles of *His Holiness*, *Most Blessed Father*, *Vicar of God*, *God on Earth*, and *the true God*.

The antichrist made war with the Scriptures. During the Dark Ages, the popes banned and burned the Scriptures and killed people for having them.

The antichrist persecutes Messiah's saints. The popes caused Catholics to kill tens of millions of saints during the Dark Ages and Inquisition. The cruel torture devices that they used are the most brutal made by man.

The antichrist is an idolater. The popes cause Catholics to make graven images. This breaks the second commandment, which they removed from their list. They have images of Mary before which many Catholics bow down and pray. Their wicked crucifix keeps Messiah on the cross, putting Him to open shame.

The antichrist worships pagan gods. The pope's blasphemous Eucharist ceremony mimics the Babylonian Mystery Religion of Tammuz, the *christ child* being created. The wafer and the monstrance are sun-god symbols. They have an Egyptian obelisk phallic symbol in the middle of a sun wheel in St. *Peter's Square*.

The antichrist has people worship him. The popes have people fawn over them, kiss their hand, lay prostrate before them, revering them.

The antichrist worships the god of mammon. The popes made themselves rich with the collection of indulgences. They spent many billions on their many ornate basilicas instead of using the money to preach the true Gospel, provide Bibles worldwide, provide food and water to people worldwide, and end homelessness.

The antichrist causes people to sin sexually. The popes forbid their priests to marry, which causes many to be homosexual, to rape nuns and children.

The antichrist causes people to make vain prayers. The popes cause Catholics to make repetitive prayers during mass and while praying the Rosary to Mary, which Messiah forbids.

The antichrist is a necromancer. The popes venerate skulls and bones in cathedrals and crypts. They cause Catholics to pray to dead saints, which is forbidden.

The antichrist teaches a false gospel. The popes teach a false salvation message by the sacraments, which has misled billions of Catholics, leaving them lost in their sins.

The antichrist carries out these wicked works in the name of Jesus. The popes cause many people to reject Messiah and the pure Gospel because they think that his actions represent the true faith of Scripture.

You can see how the popes of Rome fulfill Bible prophecy as the *little horn* of Daniel 7, the *son of perdition* of 2 Thessalonians 2, and the *antichrist beast* of Revelation, who leads the *harlot church* of Rome @
